## History

*Beloved by families since the 19th century  
BEST WESTERN  
Le Strange Arms Hotel  
is one of the finest  
leisure hotels on the  
West Norfolk coast.*

This elegant building started life as a traditional farmhouse complete with stables and outbuildings and during the course of the 1800s onwards, was transformed into the spacious and welcoming venue that it is today. A sympathetically-designed extension houses the banqueting rooms and our 43 bedrooms offer a fine choice of accommodation for family and friends. There's even a choice of self-contained apartments in our stunning Boat House.

over the sea on the  
east coast of England!*

But what makes this hotel truly special is its stunning location with unspoilt sea views and direct access to the sandy beach: perfect for memorable photographs, and ample space for the younger members of the party to explore and to let off steam during the course of the day.

Your perfect day is organised by our team of experts on hand to guide you through all aspects of your celebration and able to offer a range of packages to suit your needs. Our staff take pride in providing a professional yet friendly service – ensuring that your day is a true once in a lifetime occasion.
